CHILD SUPERVISION

Children under 12 must be signed in by a parent, and the parent must remain on Club premises. Helpers may accompany children to classes or events but are not permitted to sign them in for free play.

AGE CLARIFICATION

The Quad at B1 is not a child-minding facility. Children using the space are expected to play independently and interact appropriately with others. Children aged 6 years old and above are generally able to follow staff guidance and demonstrate adequate safety awareness. Children aged 5 years old and below typically require closer supervision and are therefore better suited for The Quad Poolside.

WHY POOLSIDE CHARGES?

Fees are applicable only during peak periods, including weekends and public holidays, due to limited capacity at The Quad Poolside.
